

# City of Alexandria Parks Open House

## Tell us what you think about the Parks!

***You're invited to help plan the future of Alexandria's parks!***

The City is developing a park system plan to guide investments in our parks for the next 10-20 years. We're holding an open house to gather input on what you'd like to see in your parks. Your input will help us develop designs, plans, and budgets for every city park.

**Where:**

Alexandria City Hall  
704 Broadway

**When:**

5:30PM - 7:00PM  
October 25th, 2022

If you can't make it, we will have an online option for providing feedback that will be posted on the same day as the open house. Check the City's website for the link starting on **October 25<sup>th</sup>**.

If you have any additional questions about the open house contact Director of Parks and Facilities Bill Thoennes at [bthoennes@alexandriamn.city](mailto:bthoennes@alexandriamn.city)
