It is the intention of this charter that every power which the people of the City of Alexandria might lawfully confer upon themselves as a municipal corporation by specific enumeration in this charter shall be deemed to have been so conferred by the provisions of this section. This charter shall be construed liberally in favor of the city, and the specific mention of particular powers in the charter shall not be construed as limiting in any way the generality of the power herein sought to be conferred.

**Sec. 1.04. Certain Enumerated Powers.**

Specifically, and without limiting in any way the generality of Sec. 1.03, the city shall have the power:

- (a) to take and hold, by purchase, condemnation, gift, devise or otherwise, and to lease and convey, all such property of any kind, within or without its boundaries, as its purposes may require or as may be useful or beneficial to its inhabitants;
- (b) to contract with the county or with other municipalities for such joint services and utilities as the city may deem desirable, and for all other lawful purposes;
- (c) to levy taxes and expend money for the treatment, purification, and betterment of the waters in lakes within, without, and adjacent to the corporate limits of said city.

**ARTICLE II — FORM OF GOVERNMENT AND CITY OFFICERS****Sec. 2.01. Elective Officers.**

The elective officers of the city shall be the five members of the council, and the mayor. All such officers shall be qualified electors of the city. **Sec. 2.02. Council.****Subd. 1. Membership.**

The council shall consist of one member from each ward, who shall be a bona fide resident of that ward. The mayor shall have no vote in the proceedings of the council except in the case of a tie.

**Subd. 2. Meetings.**

Regular meetings of the city council shall be held on the second and fourth Mondays in each month, at 7:00 P.M., unless otherwise determined by a resolution adopted by a four-fifths vote of the council. A majority of the council shall constitute a quorum. The mayor or any two members of the council may call a special meeting of the council upon such notice given to the mayor and all council members who can be reasonably located. All meetings of the council shall be public. Any citizen shall have access to the minutes and records of such meetings at all reasonable times.

The mayor shall exercise all powers and perform all duties conferred and imposed upon the mayor by this charter, the ordinances of the city, and the constitution and statutes of the State of Minnesota. **Subd. 2. The Veto Power.**

Every ordinance, every resolution, and every motion of the council involving the expenditure of public funds or the granting of licenses or permits, before it takes effect, shall be presented to the mayor forthwith for approval. If he shall approve it, he shall sign the same, but if he disapproves it, he shall return it to the council with his objections thereto, by depositing the same with the clerk, to be presented to the council at its next regular meeting, or at a special meeting called for that purpose. Upon the return of any ordinance, resolution or motion as aforesaid, the vote by which the same was passed shall be deemed to have been reconsidered, and the question shall be put again upon the passage of the same, notwithstanding the objections of the mayor; and if, upon such submission, the council shall pass the same by a four-fifths vote of all its members, it shall have the same effect as if approved by the mayor. Except as in this charter otherwise provided, all legislation shall be by ordinance. The affirmative vote of a majority of all members of the council shall be required for the passage of all ordinances and resolutions, except as otherwise provided in this charter.

**Sec. 3.02. Adoption of Ordinances.**

Every ordinance shall be presented in writing. No ordinance except an emergency ordinance shall be passed at the meeting at which it is introduced. At least fourteen days shall elapse between the introduction of any ordinance, except an emergency ordinance, and its final passage. Every ordinance shall be published forthwith once in the official newspaper of the city and shall take effect and be in force from and after its publication, except in the case of emergency ordinances. Notwithstanding any reference to publication of ordinances, if the city council, in its discretion, determines that the publication of the complete text of an ordinance is not economically feasible, the council may, by four-fifths vote, direct that publication by reference be made. If publication by reference is made the caption of the ordinance shall be published in lieu of the entire text and a brief and concise statement therefor substituted stating that it is not economically feasible to publish the entire text of the ordinance and that the full official copy of the ordinance is on file in the office of the city clerk and copies are available to any interested person during the regular office hours of the city clerk.

**Sec. 3.03. Signing and Recording Ordinances.**

Every ordinance upon its passage, shall be signed by the mayor or by two other members attested to by the clerk and filed in the clerks office. **Sec. 3.04. Amendment and Repeal of Ordinances.**

Every ordinance purporting to amend an ordinance shall set forth therein the section or sections of the original ordinance in the form that such section or sections will read when amended. Every ordinance for the repeal of an ordinance shall refer to the ordinance to be repealed by its number and its caption.

**Sec. 3.05. Adoption of Resolutions.**

Every resolution shall be in writing and shall be read in full at a council meeting before the vote thereon is taken, except that the reading thereof may be dispensed with by unanimous consent. All resolutions shall be signed by the mayor, attested by the clerk, recorded and kept on file in the office of the clerk.

Resolutions need not be published in full, but a proper reference to each resolution shall be made in the minutes of the council meeting at which it is adopted, showing the purpose and character of the resolution.

**Sec. 3.06. Emergency Ordinances.**

An emergency ordinance is an ordinance for the immediate preservation of the public peace, health or safety, in which the emergency is defined or declared in the preamble thereto. There shall be a separate vote on the preamble by recorded ayes and nays to determine whether or not an emergency exists. An emergency ordinance may be enacted at the meeting at which it is introduced and upon one reading thereof. Such emergency ordinance shall be published, but such ordinance shall take effect immediately upon its passage and before publication. No grant of any franchise or sale or lease of property shall be construed to be an emergency ordinance or resolution.

**ARTICLE IV — NOMINATIONS AND ELECTIONS****Sec. 4.01. Law Governing.**

All general laws of the State of Minnesota relating to elections and the preliminaries thereof shall, as far as applicable, apply to and govern all elections under this charter. The returns shall be made to the clerk within two days after any election under this charter.

The council shall meet and canvass the returns and declare the result as appears from such returns within three days after the election, and the clerk shall forthwith give notice in writing to the officers elected of their respective elections. A plurality of votes for elective officers shall constitute an election. When two or more persons shall receive an equal number of votes for the same office the election shall be determined by the casting of lots, in the presence of the council, at such time and place and in such manner as it may direct.

**Sec. 4.02. Regular Municipal Election.**

The regular municipal election shall be held on the first Tuesday after the first Monday in November in each year, at such places as the city council may designate. Council Members from wards 1, 2 and 4 shall be elected in even numbered years. Council Members from wards 3, 5, and the mayor shall be elected in odd numbered years. All elective officers provided by this charter shall assume their duties on the January 2nd following such election. Each ward shall constitute at least one election district, and additional election districts may be established, and the boundaries thereof subsequently changed in the manner provided by law. At least fifteen days

previous notice shall be given by the city clerk of the time and the places of holding such election, and of the officers to be elected, by posting a notice thereof in at least one public place in each election district, or by publishing a notice thereof at least once in the official newspaper of the city or both, as the council may ordain, but failure to give such notice shall not invalidate such election.

**Sec. 403. Special Elections.**

The council may by resolution order a special election, fix the time of holding the same, and provide all means for holding such special election. The procedure at such election shall conform as nearly as possible to that herein provided for other municipal elections.

**Sec. 404. Judges of Election.**

The council shall at least ten days before each municipal election appoint such judges of election as it may deem necessary, each of whom shall be a qualified elector of the district that person serves.

**ARTICLE V — INITIATIVE, REFERENDUM AND RECALL**

**Sec. 5.01. General Provisions.**

**Subd. 1. Powers Reserved by the People.**

The people of Alexandria reserve to themselves the powers in accordance with the provisions of this charter to initiate and adopt ordinances and resolutions, to require measures passed by the council to be referred to the electorate for approval or disapproval, and to recall elected public officials. These powers shall be called initiative, the referendum, and the recall, respectively.

**Subd. 2. Expenditures by Petitioners.**

No member of any initiative, referendum or recall committee, no circular or a signature paper, and no signer of any such paper, or any other person, shall accept or offer any reward, pecuniary or otherwise, for service rendered in connection with the circulation thereof, but this shall not prevent any such committee from incurring expenses for legal advice, stationery, copying, printing, and notaries' fees. Any violation of the provisions of this section shall constitute a misdemeanor.

**Subd. 3. Further Regulations.**

The council, as soon as possible after organization of the city government under this charter, shall provide by ordinance such further regulations for the initiative, referendum, and recall, not inconsistent with this charter, as may be deemed necessary. Such ordinances shall include the relevant provisions of this charter.

**Sec. 5.02. Initiative.**

**Subd. 1. Generally.**

Any five electors may form themselves into a committee for the initiation of any measure of public concern. After formulating their measure they shall file a verified copy thereof with the city clerk, together with their names and addresses as members of such committee. They shall also attach a verified copy of the proposed measure to each of the signature papers herein described, together with their names and addresses as sponsors therefor.

**Subd. 2. Form of Petition and Signature Papers.**

The petition for the adoption of any measure shall consist of the measure, together with all the signature papers and affidavits thereto attached. Such petition shall not be complete unless signed by a number of voters equal to at least ten per cent of the total number of votes cast at the last preceding regular municipal election. All the signatures need not be on one signature paper, but the circulator of every such paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. Each signature paper shall be substantially the following form:

**Initiative Petition**

proposing an ordinance (or resolution, as the case may be) to \_\_\_\_\_  
 \_\_\_\_\_ (stating the purpose of the measure), a copy of which  
 ordinance (or resolution) is hereto attached. This measure is sponsored  
 by the following committee of electors:

Name	Address
1 _____	_____
2 _____	_____
3 _____	_____

At the end of the list of signatures shall be appended the affidavit of the circulator, mentioned above.

**Subd. 3. Filing of Petition and Action Thereon.**

All the signature papers shall be filed in the office of the city clerk as one instrument. Within five days after the filing of the petition the city clerk shall ascertain by examination the number of electors whose signatures are appended thereto, and whether this number is at least ten per cent of the total number of electors who cast their votes at the last preceding regular municipal election. If he finds the petition insufficient or irregular, he shall at once notify one or more of the committee of sponsors of that fact, certifying the reasons for his finding. The committee shall then be given thirty days in which to file additional signature papers and to correct the petition in all other particulars. If at the end of that period the petition is found to be still insufficient or irregular, the clerk shall file the same in his office and shall notify each member of the committee of that fact. The final finding of the insufficiency or irregularity of a petition shall not prejudice the filing of a new petition for the same purpose, nor shall it prevent the council from referring the measure to the electors at the next regular or any special election, at its option.

**Subd. 4. Action of Council on Petition.**

Whenever the petition shall be found to be sufficient, the city clerk shall so certify to the council at its next meeting, stating the number of petitioners, and the percentage of the total number of voters which they constitute, and the council shall at once read the measure and refer it to an appropriate committee, which may be a committee of the whole. The committee or council shall thereupon provide for public hearings upon the measure, after the holding of which the measure shall be finally acted upon by the council not later than sixty-five days after the date upon which such measure was submitted to the council by the city clerk. If the council shall fail to pass the proposed measure, or shall pass it in a form different from that set forth in the petition and unsatisfactory to the petitioners, the proposed measure shall be submitted by the council to the vote of the electors at the next regular municipal election. But in case the number of signers of said petition is equal to at least fifteen per cent of the total number of voters voting at the last regular municipal election, then the

council shall call a special election upon the measure to be held not less than thirty nor more than forty-five days from such date, unless a regular election is to occur within three months, in which case it may be submitted at such regular municipal election. In case the council passes the proposed measure with amendments and at least four-fifths of the committee of petitioner do not express their dissatisfaction with such amended form by a certificate filed with the city clerk within ten days from the passage thereof by the council, then the measure need not be submitted to the electors.

**Subd. 5. Initiative Ballots.**

The ballots used when voting upon any such proposed measure shall state the substance thereof, and shall give the voter the opportunity to vote either "For the measure" or "Against the measure." If a majority of the electors voting on any such measure shall vote in favor thereof, it shall thereupon become an ordinance or resolution of the city as the case may be. Any number of proposed measures may be voted upon at the same election, but in case there shall be more than one, the voter shall be allowed to vote for or against each separately.

**Subd. 6. Initiation of Charter Amendments.**

Nothing in this charter contained shall be construed as in any way affecting the right of the electors under the constitution and statutes of Minnesota to propose amendments to this charter.

**Sec. 5.03. Referendum.**

**Subd. 1. Generally.**

If prior to the date when an ordinance or resolution takes effect a petition signed by qualified electors of the city equal in number to fifteen per cent of the total vote at the last regular municipal election be filed with the city clerk requesting that any such measure, or any part thereof, be repealed or be submitted to a vote of the electors, the said measure shall thereby be prevented from going into operation. The council shall thereupon reconsider the said measure at its next regular meeting and either repeal the same, or repeal the sections thereof to which objection has been raised by the petitioners, or by aye and nay vote reaffirm its adherence to the measure as passed. In the latter case the council shall immediately order an election to be held thereon, pending which the ordinance or resolution shall remain suspended. If a majority of the voters voting thereon are opposed to the measure, it shall not become effective; otherwise it shall go into effect immediately or on the date therein specified.

**Subd. 2. Referendum Petition.**

The requirements laid down in Section 5.02, Subdivisions 1 and 2 as to the formation of committees for the initiation of measures and as to the form of petitions and signature papers shall apply to the referendum as far as possible, but with such verbal changes as may be necessary. A referendum petition shall read as follows:

**Referendum Petition**

proposing the repeal (or partial repeal, as the case may be) of an ordinance (or resolution, as the case may be) to (stating the purpose of the measure), a copy of which ordinance (or resolution) is hereto attached. The proposed repeal is sponsored by the following committee of electors:

Name	Address
1 _____	_____
2 _____	_____
3 _____	_____
4 _____	_____
5 _____	_____

The undersigned petitioners, understanding the nature of the measure hereto attached, and believing it to be detrimental to the welfare of the city, petition the council for its submission to a vote of the electors for their approval or disapproval.

Name	Address
1 _____	_____
2 _____	_____
3 _____	_____

**Subd. 3. Referendum Ballots.**

The ballots used in any referendum election shall conform as nearly as possible to the rules laid down in Sec. 5.02, Subd. 5, of this charter for initiative ballots.

**Sec. 5.04. Recall.**

**Subd. 1. Generally.**

Any five electors may form themselves into a committee for the purpose of bringing about the recall of any elected officer of the city, and any five electors of any ward may form themselves into a committee for the purpose of bringing about the recall of any elected officer of that ward. The committee shall certify to the city clerk the name of the officer whose removal is sought, a statement of the grounds for removal in not more than two hundred and fifty words and their intention to bring about his recall. A copy of this certificate shall be attached to each signature paper and no signature paper shall be put into circulation previous to such certification.

**Subd. 2. Recall Petitions.**

The petition for the recall of any official shall consist of a certificate identical with that filed with the city clerk together with all the signature papers and affidavits thereto attached. All the signatures need not be on one signature paper, but the circulator of every such paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. Each signature paper shall be in substantially the following form:

Recall Petition

proposing the recall of \_\_\_\_\_ from his office as \_\_\_\_\_, which recall is sought for the reasons set forth in the attached certificate. This movement is sponsored by the following committee of electors:

Name	Address
1 _____	_____
2 _____	_____
3 _____	_____
4 _____	_____
5 _____	_____

The undersigned electors, understanding the nature of the charges against the officer herein sought to be recalled, desire the holding of a recall election for that purpose.

Name	Address
1 _____	_____
2 _____	_____
3 _____	_____

At the end of the list of signatures shall be appended the affidavit of the circulator mentioned above.

### Subd. 3. Filing of Petitions.

Within thirty days after the filing of the original certificate, the committee shall file the completed petition in the office of the city clerk. The city clerk shall examine the same within the next five days, and if he finds it irregular in any way or finds that the number of signers is less than twenty-five per cent of the total number of electors of the city or ward, as the case may be, who cast their votes at the last preceding regular municipal election for all candidates for the office in question, he shall so notify one or more members of the committee. The committee shall then be given ten days in which to file additional signature papers and to correct the petition in all other respects, but they may not change the statement of the grounds upon which the recall is sought. If at the end of that time the city clerk finds the petition still insufficient or irregular he shall notify all the members of the committee to that effect and shall file the petition in his office. No further action shall be taken thereon.

### Subd. 4. Recall Election.

If the petition or amended petition be found sufficient, the city clerk shall transmit it to the council without delay, and shall also officially notify the person sought to be recalled of the sufficiency of the petition and of the pending action. The council shall at its next meeting, by motion, provide for the holding of a special recall election throughout the city or in the ward in question, not less than thirty nor more than forty-five days thereafter, provided that if any other municipal election is to occur within sixty days after such meeting, the council may in its discretion provide for the holding of the recall election at that time.

In the published call for the election, whether posted on bulletin boards or printed in the official paper, there shall be given the statement of the grounds for the recall and also, in not more than 500 words, the answer of the officer concerned in justification of his course in office. Candidates to succeed the officer to be recalled shall be nominated in the usual way, and the election shall be conducted as far as possible in accordance with the usual procedure in municipal elections.

### Subd. 5. Form of Recall Ballot.

Unless the officer whose removal is sought shall have resigned within ten days after the receipt by the council of the completed recall petition, the form of the ballot at such election shall be as near as may be: "Shall A \_\_\_\_\_ be recalled from the office of \_\_\_\_\_?" the name of the officer whose recall is sought being inserted in place of A, and the electors shall be permitted to vote separately "Yes" or "No" upon this question. The ballot shall also contain the names of the candidates to be voted upon to fill the vacancy, in case the recall is successful, under the caption: "Candidates to fill the place of A, if recalled." But the officer whose recall is sought shall not himself be a candidate upon such ballot. In case a majority of those voting for and against the recall of any official shall vote in favor of recalling such official, the official shall be thereby removed from office, and in that event, the

candidate who receives the highest number of votes for the office shall be elected thereto for the remainder of the unexpired term. If the officer sought to be recalled shall have resigned within ten days after the receipt by the council of the completed recall petition, the vacancy shall be filled in accordance with the provisions of Sec. 2.06, Subd. 2.

The full amount of such certificates with interest to maturity shall be included in the next budget and tax levied therefor. The council by ordinances may make further regulations for the safekeeping and disbursement of the city's funds.

**Sec. 7.09. Contracts and Purchases.****Subd. 1. Bids Required When**

In cases of work to be done by contract or in the purchase of property of any kind, where the amount involved is more than the amount authorized by state statute to be expended without securing competitive bids therefore, unless the council, by an emergency ordinance, shall otherwise provide, the city clerk shall procure bids in such manner as may be designated by the council.
