

**CHAPTER 13**  
**LIST OF UNCODED ORDINANCES IN EFFECT**

All ordinances described in this Chapter remain in effect after adoption of the City Code. However, they are of a permanent and continuing nature as authority for a certain specific act, which has been performed. These ordinances have one thing in common that generally distinguishes them from other provisions of the City Code - - their texts have no continuing reference value. For this reason, it appears justified to list and refer to them here only to facilitate finding them in the event this becomes necessary. Listings are grouped according to subject matter, but where only one or two ordinances appear on a single subject they will be described in a paragraph.
