18	Hello Friends and Family!! I'm asking for your help in a long term goal of mine. This survey is good through the end of this weekend (sorry for the last minute notice!!). I'm asking for your help in advocating for a disability and sensory friendly park in the Alex area for those families that are currently unable to bring their kids to our parks. This would look like (a) a park away from a body of water. (b) a park with a durable fence so parents can bring their kids to the park without fear of their safety and (c) a park with sensory friendly activities	9/30/2022 11:41 AM

1	We love bringing our kids out to Brophy Park because the playground is so fun, but it's a bit of a drive. I wish we had put the money into a park that is more centrally located.	10/6/2022 9:03 PM
2	The ones we have could be better. Filmore would make for great fly-in airplane camp ground/park with its close proximity to airport. Noonans is a handy location but needs updating. We need more bike and hiking trails. One heading north towards Zorbaz and Carlos state park would be nice.	10/6/2022 8:43 PM
3	Alexandria needs a paved bike/walking trail that connects parks, schools, churches, and downtown. Bike lanes on city streets is unsafe where present.	10/6/2022 3:58 PM

5	It would be nice to see tennis courts somewhere other than at AAHS/DMS. I also feel some of the smaller parks for example the oak Knoll park could use better or expanded play set options.	10/4/2022 10:04 PM

20	I know of at least 40 some kids and families in the Alex area who are stuck at home and unable to enjoy parks in the area due to lack of accessibility and fear that their child will run from them and be in danger. Alexandria parks NEED an autism friendly location that is fenced in and offers attractions and features for everyone.	9/30/2022 5:49 PM
21	There is a need for disability and sensory friendly park in the Alex area for those families that are currently unable to bring their kids to our parks. 30	I had no idea Alexandria even had this many parks! The spaces that we use most frequently are Brophy Park and Carlos State Park, both of which are wonderful to use! With the bad publicity on the sex offenders living nearby some in-town parks it does make me leary of being in those ones, which I am sad to admit, but it is true. Overall though, the city and county seem to do a wonderful job with all of the many parks there are and we are grateful for the recourses available! Thank you!	9/29/2022 8:34 PM
31	The park on Springdale dr is very outdated and the equipment can be dangerous to kids at time due to the age and condition it is in.	9/29/2022 2:32 PM
32	I don't always feel safe at Le Homme Dieu beach since the lifeguards haven't been there. More police or DNR patrol needs to be done there, keeping jet skis out of swim area and people using foul language off beach area.	9/29/2022 10:13 AM
33	I do also feel that the sport fields, specifically, are not taken care of to allow them to be fully utilized.	9/28/2022 6:45 PM
34	Tennis Courts should be a top priority. Since the courts were removed from City Park we only have the schools and then have limited access due to school functions in the summer	9/28/2022 8:12 AM
35	none	9/27/2022 8:46 PM
36	Parks and trails are fine. Please build courts for tennis	9/27/2022 12:20 PM
37	As a community we are severely lacking facilities for local youth recreation sports teams along with maintenance of current facilities. I invite you to look at Willmar, Sartell, Bemidji, Moorhead, Becker, Waite Parks facilities to name a few. It is a night and day difference in commitment.	9/27/2022 10:12 AM
38	get public pool	9/26/2022 2:44 PM
39	Add more parks and take care of park basketball hoops	9/26/2022 2:42 PM
40	There is no where to play tennis anymore, and no where for kids to play baseball in the off season. Total WTF	9/26/2022 9:55 AM
41	Parks took away tennis courts. We played senior tennis on the parks courts for the past 10 years at least four times a week now they're taking away from us we have no Park tennis in Alexandria	9/25/2022 11:13 PM
42	Need a public tennis court since there are no longer courts available during prime time once school is in session.	9/25/2022 8:31 PM
43	Took tennis courts away. Wish for replacement.	9/25/2022 7:17 AM
44	There is a need for more tennis courts that are separate from schools	9/24/2022 7:10 PM
45	Need public tennis courts with lights	9/24/2022 6:41 PM
46	Not a whole lot for younger children 0-2	9/24/2022 6:32 PM
47	I'd like more walking/hiking trail loops through nature/natural areas - along water (lakes and streams) is preferred but any wooded area is great. Hiking historical areas with signs are interesting too.	9/24/2022 9:38 AM
48	While the parks are maintained, there is a lot of old equipment at some of the parks that needs replacing. The parks for the most part offer something for everyone, but we are really lacking a splash pad/shallow pool for kids. New Ulm has each of these and they are really nice.	9/22/2022 3:27 PM
49	There are no city pickleball/tennis courts that are NOT on school property. AHS and DiscMS tennis courts are NOT available much of August and all of September-Oct.	9/22/2022 8:27 AM
50	I do feel strongly that exercise stations e.g. pull up bars, sit-up, other etc. stations.	9/20/2022 8:52 PM
51	knute needs a huge upgrade	9/20/2022 3:31 PM
52	For a city this size we are very short on baseball/softball fields. The ones we have are not of the quality they should be.	9/20/2022 2:13 PM
53	Hearing the city is possible sinking a lot of money into an old, outdated baseball field, is disappointing. If the college is getting a team, ATCC, Public Schools, and the city need to	9/20/2022 1:57 PM

build together a new state of the art facility, that would be much more appealing and sustainable!

54	We go to the basketball hoops downtown a lot but our younger kids get bored. It would be wonderful to have playground there. Can't just focus on younger kids or older kids as you want a space for both to safely spend time with family and friends.	9/20/2022 12:44 PM
55	There are no parks on the south side of town and the trails are getting busier! There needs to be more parking at ALL of the parks!! And more shelters maybe	9/19/2022 8:24 PM
56	Access is limited , Cannot cross 82/3rd safely No handicapped options Sidewalk access very limited in the winter	9/19/2022 4:29 PM
57	My kids loved tennis when they took out the old courts it was Devastating I had nowhere to train practice and enjoy before their tennis season started! we do have a high school tennis team here in Alexandria I wonder what people would think if we had no hockey rinks???	9/19/2022 9:17 AM
58	More ice rinks	9/18/2022 9:36 PM
59	Need walking trails out near Viking mall away from traffic c	9/18/2022 8:06 PM
60	Why did you not adopt the Scenic heights Park when you incorporated the area? It should follow under your jurisdiction. Also put in a disc golf course.	9/18/2022 7:58 PM
61	The park system personnel do an outstanding job of keeping the equipment and grounds in fantastic shape. I applaud their performance.	9/18/2022 7:50 PM
62	Some city tennis courts would be fabulous!	9/18/2022 6:04 PM
63	Everything but tennis courts. We lost those at City Park.	9/18/2022 1:54 PM
64	We need some pickleball or tennis courts at brophy Park	9/18/2022 11:47 AM
65	Crazy how much free land the city will give to millionaires, but they can't put up proper sidewalks in residential areas because it's too expensive. Must need to give law enforcement a couple million more dollars so that they can set up more speed traps, and sell more meth. Maybe the fire department needs a couple million more too so they can put out the fires of all the places that dont have working smoke alarms and fire extinguishers This is your implied consent warning for when the next pedestrian gets killed by a car and no criminal charges are filed because the driver is a rich ****. Stop wasting money on your rich **** cronies.	9/18/2022 10:43 AM
66	need a tennis court	9/18/2022 9:11 AM
67	I love going to the parks but a lot of the time my husband and I go out of town because he wants to discgolf while I walk the trails so we go to glenwood or fergus falls instead yet we live in Alexandria so it's an inconvenience.	9/18/2022 8:24 AM
68	Tennis	9/18/2022 8:01 AM
69	Adults accompanying children at playgrounds could be keeping fit if exercise equipment were available. These outdoor machines are designed for strength building, etc.	9/18/2022 5:25 AM
70	I feel an outdoor pool would be used my so many in our communities and visiting. We travel to Parkers Prairie, Benson and other communities in MN specifically to swim in their outdoor pools. Beaches are not designed for everyone - especially when lifeguards are no longer provided. Outdoor pools provide clean,safe outdoor summer fun for people of all ages including a place for programming g such as lap swim/adult swim classes; swimming lessons; private events etc.	9/17/2022 9:10 PM
71	I would like to see a park on the East side near Lk Vectorial and Jessie. Many nice spots. Maybe south of Alex too.	9/17/2022 6:21 PM
72	We don't need more parks. I feel like a lot of residents would prefer to use the current ones and have our tax money saved.	9/17/2022 6:04 PM
73	We have been enjoying the archery range at spruce hill on a very regular basis. Do wish something was closer. An outdoor rink would be the first priority for our family for both hockey and figure skating.	9/17/2022 5:09 PM
74	There needs to be more bike/ walking trails. I love the new one past 3M but it doesn't go out to the main shopping area by the interstate. Please expand. Also you need a bike trail to the high	9/17/2022 3:46 PM

school! In this time of high gas prices there is no option except a car to get to the high school. Alexandria needs more sidewalks bike trails. Also please put a way to exit bike trail to get to Elden's. People who bike to get a few items have to go over the grass to exit.

75	We have no public tennis courts. This affects 3 generations of my family.	9/17/2022 1:50 PM
76	Increased access to outdoor hockey/skating would be hugely beneficial to getting people of all ages using parks and being outdoors in the winter.	9/17/2022 12:26 PM
77	Current baseball fields are in a terrible state. Many are unusable.	9/17/2022 12:20 PM
78	Need more handicap accessibility	9/17/2022 12:10 PM
79	If Glenwood, Sauk Center have disc golf, it's crazy to me that Alexandria does not.	9/17/2022 9:22 AM
80	This is the only community I have lived in that does not have a public tennis option. I found it odd when I noticed new pickle ball courts that weren't combination courts and no replacement. Plenty of school owned courts, however with Covid and potential future issues, the school district is far too strict in their securing of 78' long outdoor areas to make any sort of common sense. I would also love somewhere to frisbee golf and maybe some other outdoor gaming options (frisbee golf the easiest option I can think of off the top). Other than that, since moving here, I've noticed you guys do a tremendous job and my family thanks you for all of your hard work in making nature areas accessible and well maintained :).	9/17/2022 8:04 AM
81	Missing a disc golf course	9/17/2022 7:25 AM
82	We need public Tennis Courts.	9/17/2022 12:17 AM
83	I would visit more parks if there was disc gold	9/16/2022 10:03 PM
84	My neighborhood park at Lakepark place needs a major update. There are safety issues with big screws not in all the way and rust. Other then a splash pad, just update what there is.	9/16/2022 9:59 PM
85	Our whole family loves disc golf because all ages can toss frisbees, and it's no cost. Right now we usually drive to Fergus or Glenwood, then have dinner in that town after. Sauk center also has one we enjoy, as does wadena, and Kimball.	9/16/2022 9:23 PM
86	Might be overkill... Can we get disc golf	9/16/2022 9:16 PM
87	Brophy Park is FABULOUS and the additions and upgrades are wonderful!!!!!!	9/16/2022 9:09 PM
88	We need public tennis courts.	9/16/2022 9:01 PM
89	so disappointed that the tennis courts at city park were taken out.	9/16/2022 6:00 PM
90	Just because we have lakes here, doesn't mean the City should never consider an outdoor pool for recreation options. Look to Benson, Wheaton, Parkers Prairie, Breckenridge/Wahpeton - who all have community outdoor pools!	9/16/2022 5:51 PM
91	We would use the trails more often if there was a better access from downtown/residential. 3rd Avenue may as well be the Great Wall.	9/16/2022 5:44 PM
92	We need public tennis courts ! Got kicked out of the high school and discovery school courts.	9/16/2022 5:00 PM
93	We would like to see additional tennis and pickle ball courts with lights.	9/16/2022 1:47 PM
94	There exists a strong need for public tennis courts. Also, the pickleball courts are frequently filled to capacity with sometimes as many as 15-20 waiting their turn to play. With the popularity of the sport increasing as it is, 6 -8 more courts could easily be put to use.	9/16/2022 1:24 PM
95	We need more tennis and pickle ball courts. And indoor would be ideal for winter too.	9/16/2022 1:03 PM
96	Alexandria needs to improve its parks, especially the ball fields, and also add additional ball fields, an indoor complex for our winter months and a baseball/softball complex like so many other communities our size have. Our kids and parents shouldn't have to travel everywhere else. We should help our own community by building and maintaining facilities.	9/16/2022 12:46 PM
97	We should get back a public tennis courts since the one at City Park got turned into Pickleball courts. We should have an outdoor pool and splash pad park to offer our large community.	9/16/2022 12:43 PM
98	No public tennis courts. When City Park had tennis courts they were not properly maintained.	9/16/2022 12:07 PM

99	I play pickleball but the park system has taken away my ability to play tennis. We need tennis courts	9/16/2022 11:55 AM
100	Tennis courts	9/16/2022 11:50 AM
101	Tennis is definitely one of my family's favorite activities and unfortunately we do not have city tennis courts available anymore, which is pretty crazy considering the wide variety of people that can play and enjoy tennis in this area!	9/16/2022 11:50 AM
102	Would enjoy a more interconnected bike trail system between parks.	9/16/2022 10:48 AM
103	We need tennis courts	9/16/2022 10:20 AM
104	More dog areas, swimming areas, connected walking, live music or wedding/celebration areas for rent or reservation	9/16/2022 9:49 AM
105	Need atv and utv trails	9/16/2022 9:06 AM
106	Really try to bike as a family and crossing highways to get to some parks is too dangerous.	9/16/2022 8:26 AM
107	Better care of the baseball facilities, and more options for recreational fields. Football, baseball, soccer	9/16/2022 7:47 AM
108	We need bike and hike connections to the central lakes trail that are away from city streets.	9/16/2022 12:08 AM
109	Some parks are more maintained than others and have more updates equipment. I feel safe at parks but not on the trail. I have been followed before in broad daylight. The parks either focus on the little kids or adults. Middle and high school need more. A bigger and more enhanced skate park would be a great start.	9/15/2022 10:39 PM
110	Super disappointed noonans park in the winter has had very limited ice skating/hockey. Use to be so great and we'd skate a lot even at night with the lights. It was so great!!	9/15/2022 9:56 PM
111	I use the trail ALL the time but it would be nice to have more options	9/15/2022 9:49 PM
112	some of thr older playgrounds need updating	9/15/2022 9:15 PM
113	Build a splash pad!!	9/15/2022 8:59 PM
114	I feel very safe at the parks, but not always on the trails alone or with my young children.	9/15/2022 8:37 PM
115	There could be unique equipment for special needs kids instead of just a swing. The skate park could be expanded twice the size. I feel kids enjoy activities with trick scooters and skate boards. I usually always see middle aged kids using what is there. Plus there is room to expand! Nice to see farmers and art market growing down by Big Ole, but it would be nice to see a couple built shelters with picnic tables for people to enjoy while these events are in place. Electricity would be nice for those that need it for the Art Market.	9/15/2022 7:54 PM
116	Filmore Park needs improvement. Not much there and it's a central location.	9/15/2022 7:51 PM
117	It would be amazing if we had more walking/bike trails, especially around all the lakes. There are some areas that are VERY unsafe - County Road 120 NE and County Road 11 NE.	9/15/2022 7:29 PM
118	I have seen tons of out vacationers come play the Glenwood disc golf course. I feel that it would be a major upgrade to the community if it can be placed in a great location.	9/15/2022 7:28 PM
119	It seems like the city favors bikers/mountain bikers	9/15/2022 7:23 PM
120	I run weekly, and it would be amazing to have trails beyond the bike trail, especially in the winter when it is dedicated to snowmobiles BUT sidewalks aren't maintained, making roads the only option	9/15/2022 4:05 PM
121	I feel like there are not a lot of strictly nature areas or areas that allow for walking/hiking	9/15/2022 2:59 PM
122	I don't feel we have many all-inclusive playgrounds for all ages and abilities. Example of one is; All Abilities Trane Park in La Crosse WI	9/15/2022 2:51 PM
123	A pool and/or splash pad would help	9/15/2022 12:22 PM
124	I love disk golf and would use it pretty much daily if we get a course. It sucks having to drive to Glenwood to play.	9/15/2022 12:14 PM

Alexandria Parks and Trails Survey

125	The park trails are in bad shape, particularly from city park to Scooters. Loose, cracked, missing pavement and uneven pavement make for dangerous walking.	9/15/2022 9:22 AM
126	Noonans Park needs updating.	9/15/2022 8:53 AM
127	Need for younger kids. Most parks are geared towards 5 and above	9/15/2022 8:49 AM
128	Splash pad would be a great idea. We travel to sauk centre and usually grab lunch there as well. Wish we could put that time and money back into our own small town.	9/15/2022 7:47 AM
129	Tennis courts at City Park were poorly maintained and converted to exclusively pickleball without input from tennis Community.	9/15/2022 7:45 AM
130	I would love to use the shelters more, but city parks is often really dirty, or has wasps flying around the garbages. We love walking around Noonan's but the trail is really difficult to navigate a stroller on due to its condition.	9/15/2022 7:44 AM
131	Kids 3 and under have nothing in Alexandria.	9/14/2022 11:55 PM
132	We use brophy Park alot instead of city parks.	9/14/2022 11:29 PM
133	Disc golf and splash pad would be a great addition for our community.	9/14/2022 12:26 PM
134	While I feel the parks are "adequately" maintained, there is definitely room for improvement and beautification and I would prefer more time and resources be put toward the existing rather than starting additional. We are blessed with MANY park areas - let's take them all up a notch.	9/14/2022 11:56 AM
135	Our parks looks terrible, they aren't maintained, the flowers are lacking, weeds everywhere, they look awful!!!	9/14/2022 11:50 AM
136	I think we can both take care and update what we currently have AND expand. It doesn't have to be an either/or.	9/13/2022 12:09 PM
137	Some of the playground equipment needs updating. Not all. Filmore need updating. I'd love to see a natural playground there.	9/12/2022 8:25 PM
138	The park crew does a great job with the limited staffing and limited budget. Need more staff to keep up with summer maintenance	9/12/2022 8:15 PM
139	Trails around lakes. Missed opportunity around Lake Agnes & Henry. 2nd Avenue is a huge missed opportunity to have businesses that encourage lake use, with trails--beaches--boats--pontoons--restaurants--gift shops...huge missed opportunity.	9/12/2022 1:40 PM
140	Would love some kind of public safety call button in some of the parks, especially as the days get shorter and I walk later at night. I love the solar powered lights around some of the trails.	9/12/2022 11:29 AM
141	Our City with its size and other amenities needs public tennis courts	9/12/2022 11:22 AM

To hike or take dog for something different we go to Carlos SP. It would be great to see a functional beach and things to do, eat, etc at Big Ole park area. 1	It's great that you're getting community feedback about this! Thanks for taking the time to put this out!	10/6/2022 9:05 PM
2	Brophy needs shade trees and shelters. Filmore would have been a better place to invest some money in with its central location and proximity to airport and interstate. There should be places for atvs, side by sides and dirt bikes to be used in this community. One has to go up north to find any decent amount of trails.	10/6/2022 8:49 PM
3	Park grounds are well maintained. Could always use more tree planting for replacement as mature trees die. The city needs to deal with deer population which is devastating the natural habitat areas.	10/6/2022 4:01 PM
4	A shorter fenced in sensory trail with communication pictures along water Indra or activity boards and swing set along the path or the trail would be very helpful wheel chair and stroller friendly with lots of sitting options away from dangerous roads and water would be absolutely wonderful adaptable picnic seating outdoors and under a shelter	10/5/2022 7:32 AM
5	Splash pad is a must	10/5/2022 7:06 AM
6	Dutch Elm Disease is present in Alexandria near the city parks. I think you should treat the American elms to prevent them from succumbing to DED.	10/4/2022 8:18 PM
7	Invest in redoing central lakes trail pavement	10/4/2022 8:04 PM
8	More shelters/building spaces to rent year around for meetings and events are needed in our community.	10/4/2022 6:51 PM
9	Pool and or Splash Pad options would be nice for toddlers!	10/4/2022 5:21 PM
10	None	10/4/2022 5:10 PM
11	We spend time with family in Owatonna, and their park system is excellent. It would be a good place for you to take a look at when planning. The size of the town is similar to Alexandria and they have bigger parks, and more of them.	10/4/2022 3:57 PM
12	My biggest request would be to repave the Central Lakes trail thru town. It is a gem in our area and to keep people using it and coming to the Alexandria area for biking it needs attention and some money spent on it!	10/4/2022 3:37 PM
13	There needs to be more sidewalks around town for safe access to and from parks. Many in-town side roads; walkers end up in traffic. Voyager,N Nokomis, etc. "Bike path" through town on HAWTHORN not safe for families/small children. We need a better/safer plan/route. Noonans park is gross (geese) Park bathroom issues with feces.	10/4/2022 12:39 PM
14	It would be nice to have a park that was more disability friendly for children that have Autism or other disabilities. Some children with autism like to run and it would be nice to have a fence. Also more activities. I work for a clinic with many individuals that have autism and parents have mentioned that they wish that they had a park that was more accessible to their children	10/2/2022 11:33 AM
15	Would like to see tennis courts. We have been using the school's tennis courts and get kicked off them with nowhere else to go.	10/2/2022 11:13 AM
16	Please consider adding a sensory friendly park aimed at the children of our community who have autism.	10/1/2022 2:13 PM
17	I really think a nice softball/baseball complex with restrooms and concessions would be nice for the area. I also would like to see an outdoor swimming pool that could be used for both recreation and competitive swim meets.	9/30/2022 11:06 PM

18	Build parks taylorred towards children and adults with special needs.	9/30/2022 8:29 PM
19	I feel like we need more trails other than the Central Lakes Trail. It would also be nice to have more access to the lakes. I feel like if you don't live on the lake, it's really hard to experience any.	9/30/2022 7:48 PM
20	Upkeep at Noonans has declined	9/30/2022 6:47 PM
21	Build a park with a durable fence for child safety, no no edible items that look like food, away from body of water, sensory play!	9/30/2022 6:29 PM
22	We need a splash park for kids. More camping options	9/30/2022 5:51 PM
23	I do take grandkids but would love the option for outdoor swimming pool for summer. We have to go to Parkers Prairie to get that, and the kids love it.	9/30/2022 2:46 PM
24	Baseball needs to be better, host alot of tournaments. Need better	9/30/2022 2:16 PM
25	We need to update our current baseball/softball facilities. Including an indoor hitting/training facility at Knute Knelson Park. A knew baseball complex for softball/baseball use. Including full size baseball fields.	9/30/2022 2:11 PM
26	One of our favorite places to be is at the ballpark. The bathrooms need major updating as well as most of the facilities there. It would be awesome to see indoor options like batting cages so that the ballpark can be utilized year round. It is always a bummer to drive by Knute in the winter -- it looks so lonely without it being used by our community. Alot of playground/parks in our area are very outdated. There are not many options for really young kids (2-5 year olds) it would be great to see Alexandria make these updates or add to what is existing. Splash Pad would be great to see come to Alexandria !! The closest one is Sauk - let's put Alex on the map for something different to try!	9/30/2022 1:04 PM
27	Need updated baseball facilities	9/30/2022 11:54 AM
28	The current baseball fields need updating. It would be nice to have an updated complex and indoor batting cages to utilize. The playgrounds also need more/updated restrooms.	9/30/2022 11:46 AM
29	More special needs options, more fenced in areas for elopement safety	9/30/2022 11:35 AM
30	I would love to see a large open shelter at Big Ole park for farmers' markets, and festivals.... Fergus is building one by the river.	9/30/2022 10:39 AM
31	Please focus on a park or equipment for kids with disability. We have a lot of autistic families in the community that need safe and fun options to take their families.	9/30/2022 10:32 AM
32	Need a splash pad	9/30/2022 9:22 AM
33	The Springdale dr one should be updated	9/29/2022 2:33 PM
34	The baseball facilities are in need of so much care and maintenance, no dug outs, no bathrooms, no concessions, we are not competing with other areas who offer so much to their baseball community. (Minnewaska HS, Sartell, MN) Our highschool players do not have an updated facility to play at, the hill at Knute Field is dangerous for players in foul ball territory. The players cannot play in the spring because there is no turf or the turf is worn out. The concession stand is falling apart, it needs a major renovation. IF the highschool orginally planned a new baseball facility at the HS fields we wouldn't need Knute Nelson Field, but this is the position we are in. Our students compete at the state level and are successful, they have earned their way to play at a renovated/new baseball facility. Thank you.	9/29/2022 12:27 PM
35	I think the facilities need to be updated. Playground equipment is outdated.	9/29/2022 10:48 AM
36	I appreciate the new Brophy Park and the way the staff maintain all the parks. Thank you! I do really wish there were more bike trails/safer ways for kids to get around town. Traffic goes too fast for them to bike/walk safely on streets (without a designated pedestrian path) in this town.	9/29/2022 10:16 AM
37	Children playground parks seem to be well maintained and taken care of, however maintenance of the sport fields leave much to be desired.	9/28/2022 6:47 PM

61	I've been wanting to write for a while telling you how much we love the Scenic Heights park...especially the trails in the open area on the south side. Who ever grooms them is so creative! Kids and dogs love all the loops. This area is such a gift and is well loved by hikers, bikers, dog walkers, and in the winter cross country skiers and kids sledding. It's the best part of living in our area. All the neighbors i've met have happened in that park. We all love it so much. Thank you so much for this!!	9/26/2022 3:06 PM

84	Need for public tennis courts	9/25/2022 7:20 AM
85	What a shame, the great area of Alexandria could not have strictly left a couple of tennis courts!! For tennis only!!! So disappointed!!!	9/24/2022 10:22 PM
86	Again. I think there is a need for tennis courts not associated with school property. Thanks	9/24/2022 7:12 PM
87	Community gardens could be fun. Though I'm sure it would be a large undertaking with everything it entails and might slightly take away from the local farms and markets.	9/24/2022 1:56 PM
88	Adding the pickle ball courts has been an awesome addition! However, the town is now lacking those public tennis courts but has an increase in youth interest so adding some would be a great option!	9/23/2022 9:11 PM
89	I didn't realize that we had sooooo many parks in the area!	9/23/2022 3:55 PM
90	I think putting a disc golf course in Alex would be so awesome because currently the only near by places are in Glenwood and Morris; the only disc gold course in Alex is owned by Lake Geneva Bible camp and they wont let just anyone in.... :/	9/22/2022 8:18 PM
91	Lakeview Park definitely needs updating especially given the heavy use from nearby daycares and general age of families around it. Definitely an under utilized space due to lack of updates and safety of old equipment. I'm also surprised given the size of Alexandria that an archery range is not an option.	9/22/2022 6:34 PM
92	Springdale park needs to be updated. Equipment is dangerous. I own a daycare across the street.	9/22/2022 12:51 PM
93	I am fairly new to Alexandria and so some of my thoughts may not be well-formed as I have not yet really gotten out there and tried. As of yet I have not seen any spring/summer/fall sand or outdoor volleyball leagues. I would love to see this as a part of our community.	9/22/2022 10:26 AM
94	City Park needs to be updated. New/updated restrooms. Covered/ shaded pavilion connected to pickleball courts.	9/22/2022 1:19 AM
95	Band shell and covered shelter at Big ole for art and farmers market and other events.	9/21/2022 6:41 PM

97	Would love to see Knute Nelson baseball field fixed up and an additional baseball complex built in Alexandria.	9/21/2022 12:46 PM
98	When you travel to other communities in the region, many have very nice athletic complexes with well build and maintained softball/baseball complexes. Many of these same communities have indoor domes or buildings for softball/baseball to offer continued activity in the winter months. Alexandria has everything you can imagine for those in hockey, but nearly nothing for those in baseball or softball. The fields we do have are often times over run by weeds, tore up fields from mis-use, etc. it is time for the city to step up and build fields that people from other communities envy, and we can be proud when hosting games or tournaments.	9/21/2022 4:20 AM
99	Nope.	9/20/2022 9:37 PM

100	Knute Nelson baseball field needs some work to be done there. Knute is getting very run down, and needs some upkeep.	9/20/2022 7:28 PM
101	There is no other communities between St.Cloud/Cities and Fargo that can host baseball and softball tournaments. Alexandria with a new baseball complex could host tournaments regularly all spring/summer/fall and bring teams and spectators into the city regularly.	9/20/2022 5:15 PM
102	Knute baseball field is in bad condition and is lacking in the things that it desperately needs and I know for a fact that this place can be better than what it is	9/20/2022 3:35 PM
103	If an upgrade to Knute Nelson Baseball Park was due to take place, it would make it a way more visited area for outside communities to enjoy and patronize.	9/20/2022 3:34 PM
104	Knute Nelson baseball field needs some major updates the fencing is not safe for players or fans. The playing field is extremely dangerous for players	9/20/2022 3:34 PM
105	Knute baseball park needs some strong upgrades for baseball teams in Alexandria. If upgrades are applied residents of Alexandria would visit here to watch baseball teams	9/20/2022 3:34 PM
106	Knute Nelson Ballpark has a lot of potential, the current condition is not good.	9/20/2022 3:34 PM
107	I feel Knute is a place that needs major updates to make it a place that everyone in the public can enjoy.	9/20/2022 3:34 PM
108	Knute should be much better. The city has let it go almost to a point of no return. With the proper investment Knute could be made something the town can be proud of and could bring in more dollars by way of more games and tournaments in the city.	9/20/2022 3:34 PM
109	Knute nelsson baseball field has the foundations of a fantastic baseball field but needs some upgrades to make it a safe and serviceable place to play. It needs many upgrades and new features that can and will make it a fantastic selling point for Alexandria when baseball is a huge thing in Minnesota.	9/20/2022 3:34 PM
110	Knute Nelson needs major upgrades it is in a great location to play baseball. However, the field needs to be majorly upgraded to fit the playing needs of the players and want people to come to community. The stands need to be upgraded to want viewers to come and watch games instead of leaning away because of how bad the stands are. Please upgrade the field it can be such as nice place to play with the desired upgrades.	9/20/2022 3:34 PM
111	Knute can be better with new fences be batting cage next to field and infield and outfield needs work	9/20/2022 3:33 PM

114	Knute Nelson Baseball Park needs major updating and expansions.	9/20/2022 3:33 PM
115	Knute Nelson field/ park needs a lot of upgrades and improvements to meet standards of people in the area it could be one of the best places in Minnesota to play if upgrades are made and is advertised more	9/20/2022 3:33 PM
116	Knute is a ball diamond that is great, but it needs serious upgrades to be able to compete with out towns near it. Also with the upgrades it will be something that attracts other community members.	9/20/2022 3:33 PM
117	Knute could be a great park but it needs some serious upgrades and maintenance done to it so it can be a great park but right now it's not good	9/20/2022 3:33 PM
118	Knute Nelson baseball field needs some updating and it will be a amazing place for people to come and enjoy some baseball, and the college will be a better program with these upgrades	9/20/2022 3:33 PM
119	Knute Nelson could use a solid renovation. The love of the game is there but the care it takes to maintain a beautiful field venue has not been carried out.	9/20/2022 3:33 PM
120	I think that Knute baseball field needs an upgrade. It's been worn down and is becoming unable to play on. It's a great spot and has great potential to become a great field.	9/20/2022 3:33 PM
121	Knute is a big park, but needs some major upgrades, if those happen, it will be the best field	9/20/2022 3:33 PM

124	Knute Nelson needs updating. It's very old and needs remodeling.	9/20/2022 3:33 PM
125	Knute Nelson Baseball facilities are run down and needs to be renovated the facility has damages that should not be tolerated at a major baseball stadium in the Alexandria area because the facility is use very often	9/20/2022 3:33 PM
126	Knute baseball diamond is a ball field that could use a lot of work but if that work is done it could be a top tier ball field for the kids and or college kids!	9/20/2022 3:33 PM
127	I think Knute is a facility is a place that needs a shape up and once that is finished I think people's satisfaction will be met	9/20/2022 3:32 PM
128	Knute needs a major facelift. With the right people and right stuff it could be a very nice ball park	9/20/2022 3:32 PM

137	We need to update and maintain baseball facilities. Knute is almost beyond repair. The other community options for baseball are non-existent.	9/20/2022 2:06 PM
138	If the city, college and public schools would work together, bond items would be easier to sell to the taxpayer. When one entity passes a bond, there is a sour taste if another entity tries later. Teamwork makes the dream WORK!	9/20/2022 2:00 PM
139	Some of the parks used the most appear to be most neglected. Area playground, Knute Nelson Ballpark, Fillmore ballpark, etc.	9/20/2022 1:48 PM
140	We need a youth baseball/softball complex with concessions, restrooms, for boys and girls ages 10-18.	9/20/2022 1:48 PM
141	Having the parks connected to the trails is a great option. The basketball courts downtown and pickleball courts in central park have been fantastic. They are both used a ton. However, it would be nice to have a little shade. The benches are good by the pickleball but limited and strangely placed. Thank you for your efforts to make Alexandria a place that people want to raise their families, entertain kids of all ages and create a beautiful place to visit and/or live.	9/20/2022 12:47 PM

153	I'd really like to see Noonans park fixed up! Geese mitigation needs to happen!!! The path needs fixing and the winter warming house should be fixed up! Noonans park is iconic to Alexandria and needs to be historically renovated and repaired.	9/17/2022 7:03 PM
154	Would be nice to have concessions at City Park as well as others	9/17/2022 6:23 PM

156	Add more bike paths.	9/17/2022 3:48 PM
157	We really should have public tennis courts. I love having pickleball courts but to take away tennis to have pickleball doesn't make sense to me. Please, please, our family would love to see public courts.	9/17/2022 1:53 PM

162	Further trail expansion especially in town and the surrounding area for commuters to get further than just the main Douglas trail. Public tennis courts I believe are a must. 167	School play areas are other options. We appreciate the improvements made at the city parks over the years. We use them often! Brophy Park is a showcase provided by the county and is greatly appreciated as well. We visited a different park every day this summer while caring for our grandchildren. Looking forward to repairs on the bike trail.	9/16/2022 9:14 PM

brophy park seems like a waste of money - more pickleball or a tennis court/ pickle ball court and maybe another sand volleyball court? - central lakes trail may need resurfacing in the near future? - are there any parks in the south end of town? Seems like everything is central and north alexandria

176	We would like to see additional tennis and pickle ball courts with lights and drinking water at the facilities.	9/16/2022 1:48 PM

180	No public tennis courts available	9/16/2022 11:55 AM
181	I didn't realize there were so many parks in Alexandria.	9/16/2022 11:38 AM
182	Central lakes trail could use new pavement, or at least fill in the gaps and cracks to smooth it out. Consider dedicated bike lanes or more interconnected multipurpose paved trails.	9/16/2022 10:50 AM
183	Tennis courts	9/16/2022 10:21 AM
184	Areas for rent like the gazebo at City Park should include some space in the grassy areas around them, so private events are able to prevent public disruption. More shelter or cover for farmers' and art markets or picnicking at Big Ole. Very convenient for those using the bike path and wanting to stop in Alexandria for lunch, etc.	9/16/2022 9:54 AM
185	Nope	9/16/2022 9:07 AM
186	The Central Lakes bike trail needs repair. The cracks in the pavement are so large that it is unpleasant and jarring to ride bicycle on the trail. It would be nice to see more connected bicycle trails throughout town. It would also be nice to see more trees planted in playground to provide shade both for the children and for the adults accompanying them. Big Ole Park - There needs to be more maintenance of the green space. When it rains the area is muddy and it makes it difficult to walk around, especially during the Farmer's Market and Art Markets.	9/16/2022 8:36 AM
187	There are so many opportunities to add to the parks we have. Just need to utilize resources available	9/16/2022 7:47 AM
188	We love our pickleball courts, but the numbers of players has increased rapidly and will continue to do so. Public tennis courts are needed, but should include pickleball line markings and more pickleball courts will be needed including indoor options.	9/16/2022 7:44 AM
189	Update what needs to be updated. Fix what is broken / worn out.	9/16/2022 7:17 AM
190	Would be nice to have more bike trail options throughout the community (both mountain biking and paved trails)	9/16/2022 1:12 AM
191	Trails are not well maintained and do not connect neighborhoods with non-road options for biking and walking. Too many people need to walk on busy roads to get to parks and businesses in the town center.	9/16/2022 12:12 AM
192	I feel that there should be port-a-pots on the trails. Also, maybe a few bike patrols on the trails as well.	9/15/2022 10:39 PM
193	City Park bathrooms are yucky, Noonan Park has a coating of goose poop. Otherwise We would use those more. The winding paths are confusing at Runestone Park - I like to walk there but physically can't walk for miles and miles and I worry about getting lost. Signposts would be nice.	9/15/2022 9:49 PM
194	Filmore park (yellow playground) needs to be replaced with something larger. Current structure has rust and age is showing. Would love to see parking. It would be nice to see more parent sitting spots at Brophy/city park/Filmore that are close to the actual playground. Would love to see Filmore have a nature trail or something to utilize the open space. The city could profit with a splash pad, it would bring in families from surrounding town in which would spend money here locally. We travel to the Sauk center one every weekend in the summer and spend money there eating out or ice cream. We love the new Brophy Park it's AMAZING	9/15/2022 9:23 PM

195	We love Brophy park, the trails are great but could use some signage. We use it weekly and love the changes they are making.	9/15/2022 9:02 PM

197	Why is Tabbert park not listed	9/15/2022 8:50 PM
198	I didn't see Tabbert Park on this list. I would love to have more trail options for walking/hiking/running.	9/15/2022 8:47 PM
199	More shade would be nice. More parking lots by the lakes area trail in different spots so we don't always start at big ole. Maybe a place out of town a bit	9/15/2022 8:17 PM

202	We need a lot more trails to make things like biking from one side of town to the other a lot safer than biking on the road. Biking on the road is fine for adults, but dangerous for kids, adults traveling with kids, etc.	9/15/2022 8:05 PM
203	Would absolutely love it if there was a walking/biking trail on the West side of Lake Carlos (county rd 11).....there are so many walkers and bikers but there is no room for them and cars	9/15/2022 7:59 PM
204	Our family loves Brophy park it would be fun to see a skate park added in. Just for fun look up ideas online and google skate parks in Texas! St. Cloud just put one in by Costco and it is always busy! Plus it is fabulous!	9/15/2022 7:59 PM
205	Would love to see Latoka Public beach parking lot paved as well as the bathrooms renovated. Much needed!	9/15/2022 7:52 PM
206	Creative spaces not just more slides. Outdoor music areas are a hit!	9/15/2022 7:37 PM

211	Over by Ole Park, it would be great to have more shade and access to electricity during the art market.	9/15/2022 6:51 PM
212	I feel there should be space with electricity for food wagons at Big Ole Park along with covered shelters for Farmers Market and Saturday Art Market vendors.	9/15/2022 5:34 PM
213	I work at Noonan Sport Specialists, and we have long thought about building outdoor workout stations somewhere in town. This would be accessible to all regardless of finances, and local gyms could even volunteer to host classes once a week.	9/15/2022 4:07 PM
214	No.	9/15/2022 4:03 PM
215	We would REALLY love a splash pad for our little who is too young for pools and swimming in the lakes!	9/15/2022 3:20 PM
216	Would love more natural and green spaces. More urban wildlife and nature focused. Seems to be a lot of kids and athletics and baseball	9/15/2022 3:01 PM

220	The city should look at how people flocked to natural areas during the pandemic for guidance on how to develop these areas. More green space for walking and just going outside would be great!	9/15/2022 11:40 AM

223	As noted earlier, there is almost no public art and I think parks are the perfect place for public art to make people better.	9/15/2022 9:13 AM
224	More pickle ball courts. The trails are really cracked hard to rollerblade and bike rough	9/15/2022 8:59 AM
225	I think Alexandria parks are well-maintained and we enjoy using them. Our favorite spot is the slide and the pavilion down at city park.	9/15/2022 8:57 AM
226	The trail from out by the freeway to lake Le homme died will be great. Build it!	9/15/2022 8:40 AM
227	We visit Scenic Park on the corner of Scenic Ave and Parkview everyday	9/15/2022 8:10 AM
228	Tennis courts are schools do not replace public park courts as they are frequently unavailable and not a recreational park setting.	9/15/2022 7:48 AM
229	I think a splash pad is an absolute must! And a public pool. In the summer months it would be awesome to have water play access without the hassle of going to a crowded beach.	9/15/2022 7:46 AM
230	I think your next focus should be a city park, it has the best location and property.	9/15/2022 7:38 AM
231	Just think that some updating to some existing parks etc would go along way. We would love to go to fillmore park more if it was more updated.	9/15/2022 7:20 AM
232	I would love for the continuation of updates to the little neighborhood parks like oak knoll. Also a splash pad would be amazing. It'd be great to offer more options taking advantage of the lakes that are there (adding shelters, trails, parks by the lake etc.)	9/15/2022 6:24 AM
233	The only park that meets my children wants is Brophy park and it's overcrowded because it's the only park that has enough activities for young children.	9/15/2022 6:16 AM
234	Fillmore park would be a fabulous "in town" park to redo that close for kids to ride bike to. Brophy is nice but parents have to drive their kids there. Also could be a great spot for a splash pad & could use a parking lot instead of street parking. Also Noonans Parks by the pond could be redone and used more if it was nicer! Hundreds of people go to that pond in the summer with their kids but the park isn't utilized as much since it's older and limited equipment. In winter could use more outdoor skating rinks with warming houses for "in town" residents to bring kids too instead of just having the noonans pond. More public restrooms for kiddos at the parks too and for equipment could use a better variety of age equipment and even some with fences! we bring our little guy to Zion church because the equipment is lower to ground and it's fenced in so parents don't have to run after their toddler every minute and know their safe! Wheel chair accessible could be a neat and inclusive option as well for kids with disabilities.	9/15/2022 6:15 AM
235	We utilize brophy park more than any other park because of the quality, size, choices for both our young kids, cleanliness, access to bathrooms, picnic tables and we are excited about the pavilion going up there.	9/15/2022 6:13 AM
236	I cannot express how much a splash pad would be used by my family.	9/15/2022 6:12 AM
237	I wish there was plowed bike paths in the winter. I don't have anywhere to walk once there is snow on the ground.	9/15/2022 5:58 AM
238	There are so many wonderful park departments at other towns that have so much variety! I would love to Alexandria keep up with what we have and continue to add to our beautiful community! A pool/splash pad. Indoor park for winter. Updating what we have.	9/15/2022 5:54 AM
239	Thinking for my future and my future children I would like to see the parks better maintained, updated and more options. I think a splash pad would be an excellent idea and would be well utilized as well. I currently have small involvement at the parks due to not having children, but anticipate my views on updates and opportunities for children to become much stronger in the future when I do have children.	9/15/2022 3:46 AM
240	Filmore park needs to be updated, the play in equipment in the side by pizza ranch is outdated, starting to rust and peel. It's also too small especially in the summer. They parking is starting to get dangerous as well. I'd love to see a small 6 car parking lot somewhere near the shelter. This park has some of the most amazing open space but the city utilizes it awful in my opinion. I have 4 children and the city could do alot with this area that wouldn't cause a disruption to the neighborhood. One of the top things filmore needs is a new play structure especially for public safety on the "small" side. I am 35 and that has been there my entire life	9/15/2022 1:40 AM

definitely has seen better times. Having 4 young children we visit parks in the town weekly. The only one I can think of that needs improvement is Fillmore. The city has done great at Brophy/city/big ole park those are amazing. I will also add that noonans duck park side walking trail is awful not sure it can be improved but one of my children utilizes a walker and the path is unstable and falling apart. We would love to see it repaved or something Thanks for your time

241	I would strongly recommend more young adult options. Many younger kid options are available, but we are lacking in young adults/mid adult activities: DISC GOLF, sand volleyball, tennis courts, a safe and covered out door area to hang out where younger children may not be (city and Fillmore are fine options for families), and seniors have multiple options around town. With a growing college and young adult community more options are needed for this group. Especially winter options. Too many people feel our area has nothing to offer for winter activities except for movies, bowling, attending a hockey game/skating, or going to the bar. What other options can we offer to help draw in the new college aged population ?	9/15/2022 12:00 AM
242	Indoor parks should be considered especially with such harsh and long winters	9/14/2022 11:57 PM
243	Putting in more sports courts in the neighborhood parks ie Summer Meadows Park	9/14/2022 11:46 PM
244	Fillmore graffiti is terrible, I will not bring my children there again. The playground equipment is small and my children were bored quickly, the skatepark was too far from the playground and I was not comfortable allowing my older children to play there so far from me. There needs to be an older child option (ninja park/skate park) close to a small child option. This way parents of mixed age children can watch all children at the same time (Sauk centre has done an amazing job of this) fillmore park and that area are not a good placement for this as I do not feel myself and children are safe there. Brophy park is incredible and the placement is perfect. City park would be a much better option for this. A splash pad would go nicely in the open space adjacent to the playground.	9/14/2022 11:03 PM
245	A park without shade or running water bathrooms is a nightmare.	9/14/2022 11:00 PM
246	A splash pad would be great to have. My family drives out of town to go to them, it would be great to have that in our community.	9/14/2022 10:52 PM
247	I would love at least one tennis court that isn't on school property. There's no where to play tennis in the fall and spring!	9/14/2022 10:31 PM
248	Please open ice skating at Noonans before Christmas break. In recent years, there is plenty of ice and it sits closed	9/14/2022 9:42 PM

252	Been here several years and really don't know what's out there to go to.	9/13/2022 11:17 AM
253	We need more things for kids of all ages and adults to do in the colder months - great example is the Fargo Rustad complex with indoor playgrounds, indoor ball field, party/meeting rooms etc.	9/12/2022 8:18 PM
254	We love city park play ground and the options there for all ages!	9/12/2022 5:24 PM
255	wondering if a roof could be built over the brick patio at Big Ole park.	9/12/2022 3:10 PM
256	Alexandria should have a splash park	9/12/2022 2:57 PM
257	I really miss the tennis courts at City Park	9/12/2022 2:28 PM
258	A disc golf course would make a lot of sense. If neighbors complain, screw 'em.	9/12/2022 2:08 PM
259	We need more trails/bike paths. Especially the corridor from DMS to AAHS	9/12/2022 1:56 PM
260	Need lifeguards at beaches	9/12/2022 1:43 PM
