#### Certification of Compliance—Minnesota Workers' Compensation Law

Minnesota Statute, Section 176.182 requires every state and local licensing agency to withhold the issuance or renewal of a license or permit to operate a business or engage in an activity in Minnesota until the applicant presents acceptable evidence of compliance with the workers' compensation insurance coverage requirement of MSS Chapter 176. The information required is: the name of the insurance company, the policy number, and dates of coverage or the permit to self-insure. This information will be collected by the licensing agency and retained in their files.

#### **MEMORANDUM**

TO: All Licensed Mechanical Contractors

FROM: City of Alexandria

SUBJECT: \$25,000 Surety Bond Requirement

As many of you are aware, the State Legislature passed a law, MS 326-992, which became effective July 1, 2003, that requires anyone who installs gas piping, heating, ventilation, cooling, air conditioning, fuel burning, or refrigeration equipment to post a \$25,000 bond with the Minnesota Department of Labor and Industry. This bond is for the benefit of persons suffering financial loss by reason of the contractor's failure to comply with the requirements set forth in the State Mechanical Code. This bond eliminates the need for a separate bond requirement by local political subdivisions.

You can download a copy of the Mechanical Surety Bond and Fee Filing Form at, or print a copy of your current bond:

http://www.dli.mn.gov/business/plumbing-contractors/mechanical-contractor-bond

Please send a copy of this bond along with your mechanical (heating) license renewal. IT IS YOUR RESPONSIBILITY TO PROVIDE US WITH A COPY OF THIS BOND EACH RENEWAL TIME.

If you have any questions, please feel free to contact the City's licensing department at 320-763-6678.
